### ILL HEALTH BRINGS MINISTER WHITLOCK HOME

Washington, Nov. 4.—Official explanation that American Minister Brand Whitlock of Belgium is returning on two months' leave because of ill health generally accepted here today.

That Whitlock has been on verge of a nervous and physical collapse was reported. He is expected to make personal report on Cavell incident and other matters in Belgium to Sec'y of State Lansing before going to rest at his home in Toledo.

### SCHEROVER DISCHARGED

Max Scherover, New York, who was arrested for speaking Sunday night in that portion of Holden et. which is covered by Mandel Bros. department store, was discharged by Judge Sabath in speeders' court today. The case went to speeders' court because Scherover was speaking from an auto.

Following an announcement from Scherover's Chicago representative that he would speak tonight at 31st and Calumet av., Scherover today informed The Day Book that he would speak tonight at North and Fairfield ave. on "Fakes in Journalism."
